

Interactive comment on “Extending the life of wind turbine blade leading edges by reducing the tip speed during extreme precipitation events” by Jakob I. Bech et al.

J. I. Bech

jakb@dtu.dk

Received and published: 28 February 2018

correction at page 22, line 20

current text: "In Figure to Figure 7 the loss of income due to lost AEP..."

will be corrected to: "In Fig. 16 to Fig. 19 the loss of income due to lost AEP..."

thank you

Jakob
