Dear Sir Thanks for your valuable feedback

As per the comments are given by the referees in the form of supplement, the following major revisions have been made: 1. All marked sentences are rephrased and corrected. 2. Quality of all figures has been enhanced and discussed in the literature. 3. Wherever the mistake of English was mentioned, it had been corrected accordingly.

Printer-friendly version

Discussion paper

5. Meaningless sentences have been omitted from the literature. 6. All other minor remarks have been incorporated.

Please see the revised file.

Please also note the supplement to this comment:
