Dear Reviewers, the authors would like to express their gratitude for the time and effort spent in reviewing this paper. We acknowledge, and for this we thank you, that your feedbacks have contributed greatly to improve the paper. In accordance with your comments, the paper has been revised appropriately. In the attached pdf we go through your comments and provide, for each one, both our answers and the actions we took to comply with your suggestions.

Yours sincerely, On behalf of all the authors, Alessandro Croce
