Dear Gerard,

first of all we would like to thank you for your comments and suggestions. The positive attitude towards publishing the paper and the constructive feedback are highly appreciated. All remarks given have been considered in the manuscript. The changed texts are indicated by **red color** in the **marked up** revised paper. The discussion paper has been revised accordingly.

We hope that the revisions done satisfy your requests.

C1

Kind regards,
Galih Bangga on behalf of the other authors
