

Description of changes after acceptance: Wake steering under inflow wind direction uncertainty: an LES study

After conducting a final proof-read, the following corrections to typos were made:

- line 104: ‘Ellipsys3D’ → ‘EllipSys3D’
- line 293: ‘a undesirable’ → ‘an undesirable’
- line 416: ‘a operational’ → ‘an operational’
- Figure 2 caption, line 368, line 377 and line 379: ‘3 turbine’ or ‘3-turbine’ → ‘three turbine’
